30th DAY OF November, 2004
Bryan Erickson
PATENT ATTORNEY

Sir:

This is in response to the election requirement dated November 2, 2004. The applicants hereby make an election with traverse, as discussed in the remarks below.

The applicants also request that the following preliminary amendment be made to the specification, the effect of which is to correct a typographical error in a reference numeral. The correct reference numeral would have been obvious from context.
